Dear Mr. Modeer:

Recovery of Interstate Underground Storage Credits in 2010

This is to confirm discussions held between the staff of our agencies regarding recovery of long-term storage credits in 2010 consistent with Item 1 of the December 11, 2007, letter agreement among our agencies and the Arizona Water Banking Authority. Our staffs have agreed to develop the remaining balance, estimated at 5,700 acre-feet, of intentionally created unused apportionment in 2010 for this purpose.

The Central Arizona Water Conservation District recovered 16,804 acre-feet in 2007 and 28,442 acre-feet in 2008. With 30,000 acre-feet projected to be recovered in 2009, this would leave a balance of about 5,700 acre-feet for 2010.

Thank you for your agency's cooperation. If you have any questions, please feel free to contact me at (213) 217-5786.

With best regards,
